Arethusa Tequila Velveteen - VERONICA'S GREAT GRAND DAUGHTER X TEQUILA
Junior Champion & 1st Senior Calf, 2011 Central National Jersey Show

Veronica has impacted the Jersey breed like no other brood cow. That influence truly stood out at the 2011 Central National Jersey Show at World Dairy Expo. In addition to the awards under each cow pictured, Veronica's descendants were the driving force behind Arethusa Farm's wins in the following classes — Senior Best Three Females, Produce of Dam, Exhibitor's Herd and a share of the coveted Premier Breeder award. Plus South Mountain Voltage Spice EX-91, sired by Veronica's son 76JE0147 VOLTAGE, was name Supreme Champion of the Junior Show at World Dairy Expo. We are proud and honored to work with Veronica and take pleasure in watching her impact the breed for generations to come!
